Re: *United States v. Mangione*, 25 Cr. 176 (MMG)

Dear Judge Garnett:

On September 16, 2025, the Honorable Gregory Carro scheduled suppression hearings in Mr. Mangione's concurrent state case for December 1, 2025. These hearings are expected to last several days. Mr. Mangione (Inmate Register # 52503-511) is currently housed in the Metropolitan Detention Center ("MDC") in Brooklyn and does not have civilian clothes to wear for the hearings. We therefore request—without objection from Judge Carro or the government—that this Court order the Bureau of Prisons and the MDC to accept the following hearing clothing for Mr. Mangione:

- 2 suits;
- 3 shirts;
- 3 sweaters;
- 3 pairs of pants;
- 5 pairs of socks; and
- 1 pair of shoes (without laces)

For convenience, we have attached a proposed Order for the Court.

Respectfully submitted,
