Re: *United States v. Luigi Nicholas Mangione, 25 Cr. 176 (MMG)*

Dear Judge Garnett:

The Government respectfully writes to request an extension of time to respond to the defendant's pending motions seeking dismissal of the indictment, challenging the constitutionality of the death penalty, and seeking dismissal of certain counts and suppression of certain evidence and statements.

The Government's current response date for the defendant's motions challenging the death penalty is October 31, 2025, and its response date for the motions not related to the death penalty is November 14, 2025. In the interest of efficiency and judicial economy, the Government seeks to consolidate its responses and respectfully requests an extension of time to November 21, 2025, to respond to all of the defendant's motions. This is the Government's first request for an extension of time with respect to these motions, and the defense does not object. Notwithstanding this request, the parties remain available to appear before the Court on December 5, 2025, as scheduled, or at any other time the Court may deem appropriate.

Respectfully submitted,

SEAN S. BUCKLEY
Attorney for the United States Attorney
